

B2B One-Pager / Aurora Hunter Expeditions

Private small-group operator / Authorized by Ferðamálastofa / Net rates on request

WHO WE ARE

Black Ice Travel is a registered Icelandic tour operator founded and personally run by Carlos — Costa Rican born, based in Iceland since 1994, with 12 years of dedicated aurora hunting that place him among the top 5 aurora guides in the country. We design and guide private, small-group expeditions across Iceland.
